

Beaver Creek Homes

Testing

Beaver Creek Estates is a new development located just off of Bluecutt Road on Edinborough Drive in Columbus. This development is designed to have 13 custom built homes with at least 3,000 square feet on about 3/4 of an acre lot. Restrictive coventants have been developed to protect your investment. These homes have a unique French/Old World style. Prices start around the mid 400's.
