

Building Toward Greater Economic Growth in the Golden Triangle

Community

Our community is where we live and raise our families. Being in the middle of the Bible Belt, a major part of our community is our religious facilities. Being a company established on a Christian foundation... Commercial buildings provide economic growth for our communities, and Conn Construction has a proven track record, committing over 50 years to expanding our local economy. We have completed projects ranging from storage facilities to large office complexes. We have built numerous convenience stores throughout Mississippi and Alabama. In addition, as a General Contractor we try to do our part in promoting our local economies, helping to spur economic growth by maintaining good working relationships with our local subcontractors and suppliers, utilizing our local resources whenever possible.
